CONSTRUCTION ISSUE

NEW CIVIL WORKS TO COLOMBO STREET:
Construct new footpath, kerb and channel to suit existing road level and the new entry levels of the development.
Construct new vehicle crossover for access into basement carpark.
Upgrade existing drainage system.
Seek all necessary approvals and pay any required fees to the responsible authorities.
Carry out all works and procedures to the satisfaction of the responsible authorities (where applicable).
Refer to documentation prepared by the civil engineer and landscape architect.
Note: A provisional sum will be nominated by the project manager for the above works.
Rectify and make good any damage to existing Colombo Street roadways resulting from the project works.
Rectify and make good any damage to existing footpaths resulting from the project works.

LANDSCAPING WORKS
Refer to documentation prepared by Landscape Architect for all landscaping works
